

NOTICE OF MOTION #2

**Proposed Changes to Union Paid Benefit Premiums
Motion to Cease Payments of Benefit Premiums
Motion to increase dues.**

**General Membership Meeting
June 24, 2023 @ 9:30am**

Background:

CUPE Local 389 has unfortunately had to rectify an unfortunate situation over the last few months by having to inform some of our members that the Union will no longer be paying Benefit Premiums. This decision has been extremely difficult to bring to the membership. We will be discussing this situation in detail to allow for full transparency as to the reasoning that this has had to take place at this time.

If CUPE Local 389 members want to continue the practice of Union Paid Benefit Premiums for members, a due increase to cover these extraordinary costs will be required.

We ask that full attendance from all 10 units participate in attending this meeting. It is vital for your attendance at this meeting to be fully informed and ensure you have a vote on the important decisions needed for *all members* of this Local.

CUPE LOCAL 389 PRESIDENT
